

DOUBLE NEVADA BIOFIREPLACE

BIO-10-020

ScandiFlames Double Nevada wall-mounted bio fireplace with large front glass and black backplate that enhances the flames. Featuring two 1.5-liter bioethanol burners, the fireplace offers a total burn time of up to 6 hours per burner and a heat output of about 3.52 kW. The flames can be adjusted with the included tool, and using only one burner halves the consumption and heat output. The burners include built-in ceramic wool for longer burn time and increased safety. Includes mounting brackets, glass, extinguishing tool, and screws. Easy to install on all wall types.

TECHNICAL SPECIFICATIONS

Key Specifications

Product type	Wall-mounted Bioethanol Fireplace
Brand	ScandiFlames
Use	Indoor
Warranty	2 years

Dimensions & Weight

Length/Width	120 cm
Height	40 cm
Depth	21 cm
Weight	25 kg

Technical Specifications

Minimum room size	90 cubic metres
Fuel	Bioethanol
Burning time up to	6 hours
Capacity	3 Litres
Heat output (max)	4 kW
Consumption	0.25 L/h
Recommended air change rate	1

Burner Specifications

Adjustable flame	Yes
Control	Manual
Burner Model	1.5 Litre Deluxe
Flame length	24 cm
Remote control	No

Material and Appearance

Material	Steel
Material	Glass
Colour	Black
Shape	Rectangular
Glas included	Yes

Installation Details

Flue/Chimney	Not Required
