

140 CM BUILT-IN SEE-THROUGH BIO FIREPLACE

BIO-30-012

This 140 cm wide built-in bio fireplace is a sleek and elegant solution for narrow walls. With a 6-liter capacity, this double-sided fireplace offers vibrant flames for up to 6 hours without the need for electricity or a chimney. Its smart design, allowing flames to be viewed from both sides, creates a calming and cosy atmosphere, ideal for modern homes. The fireplace comes equipped with two safety glasses and a built-in frame, ensuring easy and safe installation.
