

CROSBY - FREESTANDING BIOETHANOL FIREPLACE

BIO-80-011

The Crosby Fireplace Suite is a freestanding bioethanol fireplace designed for hassle-free installation and timeless style. Delivered fully assembled, it features a durable MDF mantel, a steel insert, and a manual bioethanol burner. Choose between two burner options for different burn times and heat output, and two elegant colour finishes: black or white. Ideal for modern and traditional interiors, the Crosby requires no flue or chimney and provides cosy warmth with real flames. Perfect for transforming your living space effortlessly.
