

## COLYTON FREESTANDING BIO FIREPLACE

BIO-80-014

The Colyton Bioethanol Fireplace is a two-sided freestanding mantel design, allowing flames to be visible from both sides. Featuring a square frame with elegant cutout lines, it's available in Black or White and comes with a 0.5-litre manual burner, providing approximately 1.5 hours of burn time per filling. Delivered fully assembled, it's ready to use immediately and requires no flue or chimney. Perfect for open spaces or as a room divider, the Colyton combines warmth and unique style.
