

COALVILLA - FREESTANDING BIOETHANOL FIREPLACE

BIO-80-021

The Coalvilla Bioethanol Fireplace is a larger freestanding classic mantel design that makes a bold statement in any room. Available in Black or White, it features a robust MDF surround, steel insert, and a manual burner with optional upgrades for extended burn time. Delivered fully assembled, it's ready to use immediately and requires no flue or chimney. Perfect for adding timeless style and cosy warmth, the Coalvilla is an elegant and practical choice for modern and traditional interiors alike.
