

STEEL UFO-50 FREESTANDING BIO FIREPLACE

BIO-40-013

UFO-50 is a handcrafted bioethanol fireplace from Denmark, designed for freestanding use. This exclusive stainless steel fireplace is characterised by its unique carvings and shape, creating a fascinating eye-catcher in modern homes. With a capacity of 1.5L burning time, you get up to 6 hours of burning time. Over time, the top of the fireplace develops a beautiful copper/gold hue from the flame, adding extra character. Comes with a base mount and operating tool. Installation is simple as the fireplace requires no flue or electricity.
