

## OXIDE UFO-50 FREESTANDING BIO FIREPLACE

BIO-40-015

UFO-50 Oxid bioethanol fireplace by Hein & Haugaard features a unique caramel-like surface, achieved through acid and oil treatment of the stainless steel. This free-standing, handcrafted fireplace is distinguished by its smooth design and distinctive cut, enhancing the warmth and ambience of any room. With a 1.5L burner, it burns for up to 6 hours per fill and requires no chimney. The fireplace comes with a base mount and operating tool, making installation and operation simple. Also available in a larger version.
