

FOCO ONE 1200

BIO-30-130

Foco One 1200 is a stylish one-sided built-in bioethanol fireplace, perfect for wall installation. Designed for modern interiors, this fireplace insert allows the flames to be viewed only from the front, creating a stunning focal point. Choose between a manual or automatic bioethanol burner, offering adjustable flame levels and, in automatic models, remote control via app. Constructed from 4 mm powder-coated stainless steel, it includes tempered glass to protect the flames and ensure a stable burn.
