

FOCO TWO 1200

BIO-30-106

Foco Two 1200 is a double-sided tunnel bioethanol fireplace designed for built-in installation, allowing a view of the flames from two opposite sides. This fireplace is perfect for integrating into a partition wall or as a room divider between the living room and kitchen. Choose between manual or automatic bioethanol burners, which offer adjustable flame levels and remote control for added convenience. Made from 4 mm powder-coated stainless steel with tempered glass, Foco Two ensures a stable and safe flame experience, adding a modern and stylish touch to your home.
