

FOCO ONE 1000 SLIM

BIO-30-108

Foco One 1000 Slim is a sleek, one-sided bioethanol fireplace designed for wall installation where flames are only visible from the front. With a depth of just 20 cm, it is ideal for narrow partition walls. The included manual bioethanol burner features adjustable flame control, a 4-litre fuel capacity, and a burn time of up to 6.5 hours. Constructed from 4 mm powder-coated stainless steel, it has a modern and timeless design. The tempered glass panel protects the flames, ensuring a stable and safe fire experience. Easy installation with no chimney or flue required.
