

FOCO ROOM DIVIDER 1000

BIO-30-111

The Foco Room Divider 1000 is an elegant built-in bioethanol fireplace designed for partition walls, allowing a view of the flames from three sides. With a width of 100 cm, this fireplace creates an impressive visual effect and a cosy atmosphere in the room. Choose between a manual or automatic bioethanol burner, for optimal comfort and easy operation. Made from 4 mm powder-coated stainless steel and equipped with tempered glass, the Foco Room Divider ensures a stable flame experience and timeless design.
