

FOCO ROOM DIVIDER 1200

BIO-30-112

Foco Room Divider 1200 is a stylish built-in bioethanol fireplace designed for installation in a room-divider wall, allowing you to enjoy the flames from three sides. This 120 cm wide model can be equipped with either a manual or automatic bioethanol burner, offering various control options. Made from powder-coated stainless steel and equipped with tempered glass, that ensures a stable and beautiful flame, adding an elegant ambiance to any space. Installation is straightforward and does not require any special certification.
