

FOCO CORNER LEFT 1200

BIO-30-124

Foco Corner Left 1200 is a contemporary built-in bioethanol fireplace designed for corner installation, offering a stunning view of the flames from the front and left sides. Available with a choice of manual or automatic burners, this fireplace brings warmth and elegance to any space. The automatic models offer remote control operation for added convenience. With a simple installation process and no need for a chimney or flue, it's an excellent choice for modern interiors.
