

FOCO ONE 800

BIO-30-128

Foco One 800 is a stylish, single-sided built-in bioethanol fireplace, designed for in-wall installation where the flames are visible only from the front. This modern fireplace is perfect for creating a cosy and elegant atmosphere in any space. Choose between a manual burner for a classic experience or an automatic burner with remote control and app functionality. The fireplace is crafted from 4 mm black powder-coated stainless steel and comes with tempered glass, which protects the flames from drafts and ensures a stable flame experience.
