

FOCO ONE 1000

BIO-30-129

Foco One 1000 is a sleek and stylish built-in bioethanol fireplace designed for in-wall installation with one open side. This modern fireplace creates a warm and inviting atmosphere while seamlessly integrating into your interior. Choose between a manual burner or an automatic burner with remote control and adjustable flame levels. Constructed from 4 mm powder-coated stainless steel, this fireplace also includes tempered glass to enhance safety and provide a stable flame experience.
