

ROUND BUILT-IN BIO FIREPLACE - WHITE

BIO-30-025

This round, elegant built-in bio fireplace is the perfect addition for the stylish home. With a burn time of up to 4 hours per 1.5L of bioethanol, this fireplace offers a clean and timeless fireplace without smoke, soot or ash. The white frame combined with the black interior contrast creates an impressive visual effect that enhances the colours of the flames. The fireplace is easy to install with included mounting brackets and safety glass and requires no electricity.
