

ICON FIRES MID BURNER STEEL

BIO-70-227

Icon Fires Mid Burner Steel is a stylish burner made from high-quality steel, combining aesthetics with functionality. With a 7.7-liter bioethanol capacity, it offers up to 10 hours of burn time and a heat output of up to 6.5 kW. The burner is easy to install and requires no chimney or vent. Its manual design allows for easy flame adjustment, creating a cosy atmosphere in your home. Ideal for both living rooms and entryways, it provides consistent burning and is a durable solution for long-term use.
