

FOCO ONE 1400 DOUBLE

BIO-30-141

Foco One 1400 Double is an extra-wide built-in bioethanol fireplace designed for wall installation, offering a one-sided flame view. Featuring two separate manual burners, this model allows greater control over the flame intensity and heat output. Each burner has a 3.5-litre capacity, providing up to 7.5 hours of burn time. Made from 4 mm powder-coated stainless steel, the fireplace has a modern and timeless look. Tempered glass is included to shield the flames from drafts, ensuring a stable and safe fire experience. Easy installation with no chimney or flue required.
