

## CORNER FIREPLACE 115 CM - RIGHT

BIO-30-028R

Elegant right-facing bioethanol fireplace designed for installation in the corner of a wall. This fireplace offers a stunning view of the flames from two sides and is crafted from black powder-coated steel. With a 100 cm burner, the fireplace can burn for up to 5 hours and 45 minutes on a full fill of 5 liters of bioethanol. The included safety glass panels shield the flames from drafts, and no electricity is required. The flame size can be manually adjusted for optimal heat and ambiance.

### TECHNICAL SPECIFICATIONS
