

TALL BLACK ROOM DIVIDER BIO FIREPLACE

BIO-20-216-T-B

ScandiFlames Tall Room Divider Bioethanol Fireplace in Black is a stylish and functional addition to any space. It features a 2.5-liter manual burner providing up to 7.5 hours of burn time per fill, which ensures that you can enjoy the fire all evening without refilling. The burner has a heat output up to 2.4 kW which will create a warm and cosy atmosphere. The three safety glass panels protect the adjustable flames, making it both safe and versatile. With no need for a chimney or electricity, this bioethanol fireplace offers a convenient and eco-friendly heating solution.
