

FREESTANDING L BIOETHANOL FIREPLACE - BLACK

BIO-20-234bk

This large freestanding bio fireplace from ScandiFlames provides an impressive flame view from two opposite sides, making it ideal as a room divider between living room and kitchen. With a 4 litre firebox, the fireplace can burn for up to 6.5 hours per refill and has a heat output of up to 4.38 kW. The black lacquered bio fireplace is easy to install without the need for electricity and creates a cosy atmosphere in large spaces.
