

## FOCO ONE 800 SLIM

BIO-30-146

Foco One 800 Slim is a sleek and space-saving bioethanol fireplace, designed for in-wall installation with a one-sided flame view. With a depth of just 20 cm, it is ideal for narrow partition walls or spaces where a compact yet stylish fireplace is required. The included 3.5-litre manual bioethanol burner offers up to 7.5 hours of burn time, and the adjustable flame lets you control the intensity of the fire. Constructed from 4 mm black powder-coated stainless steel, it ensures durability and a modern aesthetic. A tempered glass panel protects the flames from drafts, ensuring a stable and elegant fire experience.
