

ALASKA CORNER BIOETHANOL STOVE FIREPLACE

BIO-20-313

ScandiFlames Alaska Bioethanol Stove is designed to fit perfectly into corners, combining the classic look of traditional wood stoves with modern, eco-friendly technology. Equipped with a 1.3-liter burner, it offers up to 6 hours of burn time per fill. Enjoy the flames from two sides through glass doors, creating a cosy atmosphere. The bottom storage space adds an authentic touch, perfect for decoration logs. No chimney or electricity required, making it easy to install and maintain.
