

TEXAS WHITE - WALL MOUNTED BIOETHANOL FIREPLACE

BIO-10-062

Elegant and simple wall-mounted bioethanol fireplace with a white frame, providing a stylish and modern look. Equipped with a 1.5-liter slimline burner, this bio fireplace can burn for approximately 3 hours per fill. The slim design features a large safety glass in front of the flames, protecting against drafts and small gusts. The flame size can be easily adjusted with the included control tool. This model is also available in Black and Steel. The Texas bio fireplace is ideal for both private homes and professional environments, creating a cosy and stylish atmosphere.
