

DENVER BASIC F3 - 1190

BIO-50-657

DecoFlame Denver Basic F3 - 1190 is a premium, yet budget-friendly bioethanol burner designed for larger spaces. With a 90 cm flame length and adjustable in three levels, it provides a striking and elegant flame. The burner includes an automatic refilling pump and can be controlled via remote or control panel. Made in Denmark, it features multiple safety sensors for secure operation, eliminating the need for ventilation or a chimney. Perfect for those seeking high-quality heating and ambience without unnecessary extras.
