

COCOON AERIS - WHITE

BIO-70-138

The Cocoon Aeris in matte white is a hanging bio fireplace from Cocoon Fires. This elegant fireplace requires no electricity or chimney, making installation simple and flexible. With a 1.5-liter bioethanol capacity, it can burn for up to 5 hours per refill and consumes about 0.3 liters per hour. Designed by Federico Otero in 2011, it combines functionality with style. It comes with ceiling mounting hardware and adjustable rods, allowing it to be adapted to different room heights.
