

## AUSTIN - BLACK FREESTANDING BIOETHANOL STOVE

BIO-20-323

Austin is a small freestanding bioethanol fireplace in a classic wood-burning stove design from the brand ScandiFlames. The fireplace is made from powder-coated steel and has a black finish. The small size makes it a perfect fit for old traditional fireplace hearths and surrounds where the flue has been closed off. The fireplace features a 1.0-litre burner with up to 5 hours of burn time per filling and a maximum heat output of about 1.6 kW - usually enough to create a comfortable temperature in a room of 15-20 sqm.

### TECHNICAL SPECIFICATIONS

#### Key Specifications

Product type	Bioethanol Stove
Brand	ScandiFlames
Use	Indoor
Warranty	2 years

#### Dimensions & Weight

Length/Width	45 cm
Height	60 cm
Depth	36 cm

#### Technical Specifications

Minimum room size	45 cubic metres
Fuel	Bioethanol
Burning time up to	5 hours
Capacity	1 Litres
Heat output (max)	1.6 kW
Consumption	0.2 L/h

#### Burner Specifications

Control	Manual
Burner Type	Manual Burner
Adjustable flame	Yes
Burner Model	1.0 Litre Deluxe
Flame length	13 cm
Remote control	No

#### Material and Appearance

Material	Steel
Colour	Black
Finish	Powdercoated

#### Installation Details

Flue/Chimney	Not Required
Power requirements	No
