

FREESTANDING BIOFIREPLACE 20BAZIC R

BIO674

TermaTech Bio 20Bazic R is a freestanding bioethanol fireplace in black, inspired by their popular TT20 series of stoves. The included manual bioethanol burner ensures safe and consistent combustion, where only the vapours of the bioethanol are ignited. The fireplace has a capacity of 1 litre, providing up to 4 hours of burning time per refill and a heat output of approximately 2 kW. With its modern design, easy installation, and eco-friendly operation, the Bio 20Bazic R is the perfect choice for creating a cosy atmosphere without the need for a chimney.
