

ROLF - WHITE BRICKS

BIO-50-419

The Rolf Biofireplace combines classic charm with modern functionality. It is made from the durable Lightstone® material, featuring an authentic white brick look and a hand-finished wooden top in antique oak, which provides a stylish and timeless expression. With a firebox capacity of 2 liters, an output of up to 3 kW, and a burning time of approximately 5-6 hours, the Rolf offers a smoke-free and environmentally friendly heat source. It requires no chimney and is easy to install, making it ideal for both apartments and modern homes that seek coziness and elegance in their decor.
