

ROLF - GRAY CONCRETE

BIO-50-420

The Rolf Bioethanol Fireplace combines classic charm with a modern gray concrete look. It is made from the durable Lightstone® material, featuring an authentic white brick appearance and a hand-finished wooden top in antique oak, which adds a stylish and timeless expression. With a burner capacity of 2 liters, up to 3 kW of heat output, and a burn time of approximately 5-6 hours, the Rolf fireplace offers a smokeless and eco-friendly heat source. It requires no chimney and is easy to install, making it ideal for both apartments and contemporary homes that seek warmth and elegance in their decor.

TECHNICAL SPECIFICATIONS

Key Specifications
