

NATURA - GARDEN FIREPLACE

BIO-20-333

The ScandiFlames Natura Garden Fireplace is a stylish and functional outdoor bioethanol fireplace made from durable black powder-coated stainless steel. Featuring four glass panels, it provides an unobstructed view of the flames from all sides, creating a captivating focal point for your garden or patio. With a handy door hatch for easy access to the burner, you can refill and control the flame effortlessly. The fireplace is equipped with wheels for easy mobility, making it perfect for moving around your outdoor space. With a burn time of up to 5 hours, it brings warmth and ambience to your garden gatherings.
