

MOON 45 GRILL LID

OUT-60-330

Höfats Moon 45 Lid is crafted to cover your MOON 45 after use, preventing ash and sparks from flying away. Made from brushed stainless steel, the lid is both weather-resistant and sturdy with a non-slip surface. Its curved shape ensures water doesn't pool on the lid, providing effective protection against water ingress. The lid pairs perfectly with the spark guard and can be placed under the protective cover for optimal storage.
