

MOON 45 ASH TRAY EXTENSION

OUT-60-332

The Höfats Moon 45 Ash Tray Extension is a practical accessory that makes it easy to remove ash from your MOON 45 fire pit. This extension provides extra space for ash collection, ensuring that you can keep the fire pit clean and functional. It is designed for easy installation and fits perfectly with the original ashtray. With a robust and durable design, cleaning up ash becomes simpler, and it can be emptied while the ash is still warm.
