

TOWER 46 ELECTRIC FIREPLACE WITH LOG STORAGE

ELP-80-162-46

The Aflamo Tower 46 electric fireplace with log storage is a freestanding electric fireplace with flames visible from the front and both sides. The integrated decorative log compartment adds a classic fireplace character, while the realistic 3D flame effect, crackling fire sound effects, and adjustable heat create ambience all year round. Note: Product images show the Tower fireplace in the 61 cm version. This 46 cm model is therefore narrower than shown in the images.
